

STATEMENT OF PURPOSE

RS19676C1

This legislation amends and adds language to Idaho Code relating to the Commission For Reapportionment. It deletes language allowing for the commission to reconvene and requires that any legal challenges to the reapportionment plan be expedited and heard by the Idaho Supreme Court. It further provides a procedure, if the Idaho Supreme Court is unable to complete its review within a time certain, for the Idaho Legislature to review; modify; and adopt an acceptable plan for reapportionment.

FISCAL NOTE

No fiscal impact to the general fund.
